BTT s.r.o.

Hrušovská 15

82107 Bratislava

Company ID (IČO): 35944382

as the operator (hereinafter referred to as the "Operator").

Purpose and legal basis for processing personal data

The Operator processes personal data in the scope of video recordings and photographs.

The Operator processes personal data for the purpose of protecting life, health, and property.

The legal basis for processing personal data is **legitimate interest**.

The legitimate interest of the Operator lies in protecting property and health. When assessing other available security measures in a balancing test, the Operator concluded that this is the only most suitable method. In this case, the factors of property protection and security versus the right to privacy are balanced. Providing personal data is necessary to fulfill the above-mentioned purposes.

Provision of personal data

The Operator may provide the personal data of data subjects to the following recipients:
Law enforcement authorities, courts, and other authorized entities.

Transfer of personal data to third countries

The Operator does not transfer personal data to third countries.

Data retention period

The Operator stores personal data for a maximum of 14 consecutive days.

Rights of the data subject

The data subject has the right to request access to their data, their correction or deletion, or to request restriction of their processing, as well as the right to data portability.

Provided that the requirements set by the relevant legal regulations are met, the data subject has the right to object to the processing of their personal data.

To exercise their rights, the data subject may contact the Operator here:

btt@btt.sk

Alternatively, they may file a complaint regarding the processing of their data with the Office for Personal Data Protection by email.
